

# COMP306 - Project Proposal

Group Name: Future Gadget Lab

## Group Members

Ameer Taweel	ataweel20	0077340
Ahmed Jareer	ajareer20	0074982
Omar Al Asaad	oasaad20	0075155

## Short Project Description

Our idea is to build a Mini-ERP (Enterprise Resource Planning) System. It will contain the essential features for managing a company. We also plan on using [immudb](#), an immutable database.
